

Goddess is a Verb.

To Goddess:

To know yourself, and own it – flaws and all.

To choose the path to spiritual evolution.

To practice truth.

To accept, not resist, with grace.

To express your inner beauty with confidence.

To trust without hesitation.

To dream.

To use your intuition.

To be radiant.

To believe in your gifts.

To love.

A goddess **ALWAYS** listens to her own wisdom.
